Selecting a Menu
Our Catering Coordinators will help you plan the details of your event. Please call the Catering office at (970) 491-5332 with your requests at least two weeks before your event to ensure proper staffing and product availability. Menu and timing changes must be made at least one week before your event. Final head counts are due three business days before your event. Changes made after these deadlines might not be accommodated. While choosing a la carte options, please keep in mind the amounts needed for each meal period. An average lunch client should be prepared to serve six to eight appetizers per person versus a dinner meal period where the average is from nine to eleven.

Linens, China, and Glassware Service
Most food and beverage prices include table linens, flatware, and dishes; some exceptions might apply. White linens may be available for an additional charge when not included in the cost of your menu. Contact the Catering Office for pricing. Catering equipment (glassware, plates, warmers, or coolers) is not available for rental or to borrow. All buffets will have the flatware and beverages on the buffet. Served meals will have the flatware and beverages on the tables.

Deliveries
Catering can provide services for your event anywhere on campus and at other locations within the Fort Collins area. Delivery charges are based on the type of event, amount of equipment needed to set up, and distance from the Lory Student Center.

Pricing, Payment, and Cancellations
The food and beverage prices are as they appear on the menu. Requests outside of the regular menu might incur additional charges. Prices are subject to change due to market pricing. Catering can customize menus for special pricing. Make billing inquiries within 10 days of the date of the invoice. Cancellations within 72 hours are subject to cancellation fees. If you have any questions regarding your invoice, please contact the Catering Director at (970) 491-7272.

Outside Food
Lory Student Center Catering is the exclusive caterer of the Lory Student Center. Catering must arrange all food served in the Lory Student Center. Individual sack lunches are permitted in meeting rooms when conducting privately-attended meetings. The Lory Student Center staff can remove any food or beverage brought into a reservation space within the Lory Student Center without prior approval. Groups with multiple violations of this policy may lose reservation privileges for a time period to be determined by Lory Student Center officials.

Tax and Gratuity
All Colorado State University departments and recognized student groups are tax and gratuity exempt. Other organizations under tax-exempt status are required to provide their tax identification number. Giving the staff a cash gratuity at the end of the evening is at the customer’s discretion. A gratuity and applicable sales tax will be added to all other groups.

Taking of Food
For health and safety reasons, guests are not allowed to take leftover food. All leftover food remains the property of the Lory Student Center. Leftover food is donated to the local Food Bank for Larimer County. If a client invites more people to eat leftover food than guaranteed, the guest will be charged an additional per person cost.
